EXAMINER'S COMMENT/REASONS FOR ALLOWANCE

Claims 1-34 have been cancelled and new **claims 35-43** have been presented, in an amendment filed April 4, 2005.

Claims 35-43 are pending and have been examined on the merits.

Claims 35-39 are drawn to the compounds indicated as allowable subject matter in the previous Office Action (January 13, 2005; pages 2, 4, and 5).

Claims 35-39 are directed to an allowable product. Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), **claims 40-43**, directed to the process of making or using the patentable product, previously withdrawn from consideration as a result of a restriction requirement, are now subject to being rejoined. Process **claims 40-43** are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Claims 35-43 are allowable.

The following is an Examiner's statement of reasons for allowance:

As indicated in the previous Office Action (January 13, 2005), the products are neither taught or suggested, alone or in combination. Methods of using the allowable product are neither taught or suggested in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
